Roatan, Bay Islands, Honduras

**A cozy secluded retreat above water... an awesome and colorful spectacle below.**

CoCo View is the most returned to dive resort in the world.

Why? 30 years of perfecting our dive operation. Plus everything you want and expect in Caribbean diving: great visibility, warm water, colorful reefs, abundant & diverse marine life, wrecks and long walls. **Unlimited Shore Diving!** And we make it all so easy.

CoCo View's professional and experienced dive staff takes the work out of boat diving.

Our large, comfortable boats take you to the famous walls, cracks and reverse ledges of Roatan's protected south shore, a short 5-15 minute boat ride away. Our new custom-made High Speed dive boat allows us to offer all day trips to remote dive sites rarely visited by other dive operators (for an additional fee).

Your dive equipment storage, clean water dunk tanks, rinse showers and even a PADI 5-Star full service **Dive Shop and Photo Center** are located right on our dock, a few steps from your boat.

**Come play in our "Front Yard"!**

Our shore diving is so good that many divers "miss the boat" on purpose! The famous CoCo View Wall, Newman's Wall and the wreck of the Prince Albert

are just off shore, only a few fin kicks from our Clubhouse. Our 150 bottle tank rack assures that there is air when you want it... and accessible 24 hours a day!

**Snorkeling** is great at CoCo View. In our "Front Yard" or from a dive boat, you will enjoy magnificent underwater vistas.
