

# User Guide for Honduran Immigration Forms

January 29, 2023

## Reason for Update:

1. Added wording that the Health Form is no longer required. When the link appears, just close the window. It was not added as part of the new app and was a Health Dept requirement, not Immigration.
2. Updated number of days prior to arriving in Honduras that you can complete your precheck from 3 to 10.
3. The precheck form may, or may not, be asked for at time of check-in. In the event you are asked and do not have it, you can be denied boarding. As such, it would be best to complete it to avoid unnecessary stress at the airport.
4. The precheck form is not mandatory, nor asked for, when exiting Honduras. As such, this guide does not include instructions for that process.

## 1. Before You Start

1. Download the “Prechequeo Migratorio” App to your phone or tablet. It is **much** easier to use than the website. Scan the QR Code here <https://prechequeo.inm.gob.hn/Login> to access your relevant app store.
2. The Precheck website can be found here <https://prechequeo.inm.gob.hn/Login>.
3. When traveling to Roatan, only the Precheck (Prechequeo) must be completed. The Health Form link will appear after you complete the Precheck, but it is no longer required, they just have not removed it from their website. IT has been excluded if you use the new app, released in 2022.
4. Once the precheck has been submitted, you will receive a PDF copy to the email of the account you logged in with. See sample below. Print and/or save a copy to your phone.

5. You can register a new account at any time, but you cannot complete the Precheck until you are within 10 calendar days of your flight to Honduras.
6. To complete the pre-check form, you will need:
  - a) Your passport (number and expiry date)
  - b) Details of the flight arriving in Honduras (airline, flight # and date)
  - c) Address where you will be staying
7. Technical Issues
  - a) When you register for a new account and you don't receive the email verification, it is most likely because your internet provider has a domain (e.g., shaw.ca) that is not recognized by the application. If that happens, use a gmail.com account.
  - b) This site works best with Chrome, Microsoft Edge or Mozilla Firefox. Mac users have reported issues with the site not working and also those with a Hotmail email. Internet Explorer and Safari on Android mobile devices may have issues.
  - c) If you have an issue with any other device or browser, try using Google Chrome on a PC and failing that, try another device. Better yet, use the app mentioned above on your phone or tablet.
  - d) If the page won't load, try turning off Wi-Fi and using your cell phone connection (either by doing it on your phone or using your computer or tablet and connection to a hotspot from your phone).
8. When departing Honduras, you're asked to fill out the Precheck form again. It's not mandatory but speeds up the immigration process as they don't have to gather the information in real-time. You do NOT have to print it.

## 2. Getting Started

1. Go to the Precheck Home page is <https://prechequeo.inm.gob.hn/Login>
2. Select English is that is your preferred language.

## 3. Register for a new account (if required)

- You can register for a new account at any time before you travel. Do this ahead of filling out the form in case of any technical difficulties.
  - If you have registered with the Immigration ALAM system for a Tourist Visa extension or Residency renewal, this is a different account. You need to register here to complete the precheck.
- If you don't receive the email verification, it is most likely because your internet provider has a domain (e.g., shaw.ca) that is not recognized by the application. If that happens, use a gmail.com account.
- Once registered, you must wait to complete the pre-check form within 10 days of your arrival in Honduras. You cannot pick the "Travel Date" if it's outside this window.
- Forms for each family member can be created within the same account. Do them at the same time because if you do some now and the rest later, it can overwrite the first one(s).
- *Tip:* For dropdown lists, type the first few letters of the word you want to select and a list of matching words will be displayed.

## 4. Complete the Pre-check Form

1. To complete the pre-check form, you will need:
  - a. Your passport (number and expiry date)
  - b. Flight details (airline, flight # and date)
  - c. Address of where you will be staying
2. If you are still seeing anything in Spanish and on a PC, in the top right corner, click on Español and change to English.
3. Select the "Create a pre-check in" to complete the precheck.
