

ROATAN MARINE PARK DONATION FORM

CoCo View Resort is currently active in supporting the effort of the Bay Islands National Marine Park (Roatan Marine Park). We invite our guests to lend your support.

CoCo View is encouraging all guests to donate \$2 per day to support the efforts of The Bay Islands National Marine Park in conserving and preserving the reef system. Among other things, your donation will go toward maintaining an office, educating residents and visitors to the importance of these efforts, establishing and maintaining moorings and providing and maintaining a patrol team to monitor marine activities.

The NGO, Roatan Marine Park, also sells BC tags, wrist bands and T-shirts to those who would like to show additional support. These items can be purchased at Dockside Dive Center which is located on the back dock at CoCo View.

Thank you for your consideration and support. All proceeds go directly to the Marine Park.

Do you agree to donate \$2 per day to The Roatan Marine Park? (CIRCLE ONE)
